

EKEH, JOSHUA

Chukwuebuka

About Me

Highly versatile and innovative professional with a unique blend of expertise in musicology, debate coaching, and technology. With a strong academic background in musicology, proven success in coaching debate teams to national championships, and extensive experience in tech development and implementation, I bring a rare combination of creative and analytical skills to the table.

Key Strengths:

- Musicology: In-depth knowledge of music theory, history, and performance, with expertise in musical analysis and criticism.
- Debate Coaching: Proven track record of success in coaching debate teams, with a focus on argumentation, critical thinking, and effective communication.
- Tech Expertise: Skilled in programming languages, software development, and data analysis, with experience in tech project management and implementation.

Career Highlights:

- Musicologist: Performed different high profile events and competitions at both local and international stages and levels.
- Debate Coach: Led teams to national and international championships, developed and implemented effective coaching strategies, and mentored students to become confident and articulate advocates.
- Tech Expert: Developed and implemented robotics solutions, managed tech projects from conception to delivery, and collaborated with cross-functional teams to drive innovation.

What I Can Bring:

- Unique perspective and creative problem-solving skills
- Exceptional communication and collaboration abilities
- Ability to analyze complex information and develop effective solutions
- Passion for innovation and continuous learning
